*These performances are dedicated to the treasured memory of our wonderful leader, Justine Watts, who we lost last year. Justine's extraordinary talent, endless energy and infectious warmth was an inspiration to everyone who was lucky enough to call her a colleague and friend. Justine embodied everything that CCC aims to convey on stage - joy, good humour and generosity - and she is missed by us all.*

The concert's about to start and the excitement is building!  
But don't worry, we have some activities to keep you busy...

## BEFORE

If you have 2 minutes to spare, we'd be really grateful if you could complete a super-easy anonymous survey. This is to help us build an accurate picture of our audience so we can stay in tune. Please follow this QR code.

And while you're doing that, your accompanying little person can have fun creating some art here!

The Three Little Pigs' houses were made of straw, sticks and bricks - if you could build your own house to keep you safe from the wolf, what would it look like?
